

The Grimus Ski Centre has invested in specialty, modern high-tech machinery from WINTERSTEIGER which guarantees perfect bases and exact edges.

The Mercury LSD Wintersteiger was the first of its kind in the Southern Hemisphere.

Regular ski or snowboard tuning keeps your equipment in good shape and guarantees each run you take down the hill brings more enjoyment for you!

OVERNIGHT SERVICING

No down-time on the slopes. Tuning or repairs to your ski or snowboard equipment can be carried out overnight. Just drop your skis or snowboard off before 6:00pm and they will be ready to pick up first thing next morning.
